## **Notice to our Investors**

### **Please Read and Sign Below!**

Thank you very much for deciding to purchase through the Marshall Reddick Investment Network. Marshall Reddick and his staff work very hard to bring good deals to the investors in the Network (as well as to their friends and family).

Marshall's services to his clients are all free. The only way he can be reimbursed for his efforts and expenses is if members of our group buy through our specified network real estate agents. These agents share their commissions with Marshall.

The signature below indicates that the Buyer understands Marshall Reddick Realty, Inc. is receiving a 3% referral fee (portion of the broker's commission) for this transaction. If broker's original commission does not cover all of the 3% referral fee necessary for Marshall's side, it may be part of or included in your total purchase price. This will not be a fee over what you have been quoted as a purchase price for this transaction. Thank you.

Marshall E. Reddick  
President
